

CAPES (Clinician and Patient Education Series) is a collaboration of GRAPPA (Group for Research and Assessment of Psoriasis and Psoriatic Arthritis), NPF (National Psoriasis Foundation), SAA (Spondylitis Association of America), and SPARTAN (Spondyloarthritis Research and Treatment Network).

Our goals are to provide up-to-date knowledge about psoriatic arthritis (PsA) and axial spondyloarthritis (axSpA) and to create learning opportunities for patients and their families.

Register at [capes.performedia.com](https://capes.performedia.com) for program details and access to live and recorded webinars and podcasts.
